

Lip Gloss

KR10/24

ELEMENTIS

SPECIALTIES

Description

This lip gloss adds high shine to the lips while providing the added benefit of moisturization to improve the appearance and softness of the lips.

Advantages

The presence of FANCOR[®] MEADOWFOAM SEED OIL and MEADOWESTOLIDE[®] in this gloss:

- Aide in smooth application
- Soften the lips
- Provide emolliency and moisturization.

The addition of BENTONE GEL[®] MIO V:

- Provides thixotropic flow properties to improve application
- Improves the suspension of the pigments
- Enhances the stability of the formulation, by providing thermo-stability and viscosity

ANTI-AGING SKIN COMPLEX contains MEADOWLACTONE[®] and MEADOWESTOLIDE[®] to provide very effective moisturization and significantly improves the skins appearance. It also contains a natural source of Vitamin E.
