Green Tea Mild Facial Cleanser
CL-F0102

Start off your day feeling refreshed with this mild & sulfate free facial cleanser that is gentle enough for daily use.

Mild & Gentle
Carbopol® SC-800 polymer offers best solution for rheology in combination with mild glycinate based formula

Light, silky sensory
Schercemol™ LL ester provides a light and velvety sensory during the washing experience and leaves skin feeling soft

Soothing
Actismart™ SW green tea is an extract of sustainably sourced green tea leaves and could help to provide soothing and address acne prone skin

TARGET USER
All skin types;
Sensitive skin

USAGE INSTRUCTIONS
With water apply a pea size amount onto fingers then rub onto face. Rinse off.
