This is not your average body scrub!

Pamper and invigorate skin with this one product– through a carefully crafted blend of our best emollients and gentle, yet effective seed scrubs. This buttery body buff can be massaged onto damp skin, allowing the whipped texture to melt away impurities and reveal your best skin yet.

## KEY INGREDIENTS

- **GLUCOTAIN GEM**, our high RCI mild surfactant
- **PLANTASENS CRYSTOLIVE WAX** to provide this product’s buttery texture
- **BERACA CUPUACU SEED SCRUB** to exfoliate & buff skin

## PROCEDURE

1. Combine phase A and heat to 70 – 75C, mixing uniformly
2. Add in phase B one at a time. Mixing uniformly between additions
3. Cool to 60-55C, then add phase C one at a time. Mix uniformly between additions
4. Pour into containers at 55C to 50C
5. Let cool
